January 24, 2008

7 PM, Standish Town Hall, Council Chambers

1. **Welcome & Introductions**, Council Chair Lou Stack, 15 minutes

Review of Agenda

Review of Committee Mission

2. **Committee Organization**, 15 minutes

Selection of Committee Chair, Discussion led by Lou Stack

Committee Communication – Email, Mail & Phone – *Is it Working So Far?*

Public Meeting Discussion & Preparation – *Prepare for a March or April Meeting?*

3. **Local Knowledge Mapping Exercise**, Entire Group, 75 minutes

Breaking up into three or four groups, we'll explore and add local knowledge to the **Comprehensive Plan Maps** (presented in November) and the **Beginning with Habitat Maps** (presented three weeks ago at your January 3<sup>rd</sup> meeting).

An overview of the Beginning with Habitat maps is attached (via email) and can be further explored at: [www.beginningwithhabitat.org](http://www.beginningwithhabitat.org).

4. **Committee Homework**, 5 minutes

- Over the next month, Discuss / Publicize the Committee's work to date with the constituency you represent and your friends and neighbors in Standish. Develop and write down your ideas to reach out most effectively to groups and individuals that should "have a say" in the development of the Plan. *We ask that you "report back" to us your ideas at the February meeting.*
- *Additional Homework will be handed out at the meeting*

5. **Adjourn**, by 9 PM

*For your calendar:* February Meeting, February 28<sup>th</sup>, 2008  
(Our regular meetings are held on the fourth Thursday of every month)
