

Standish Conservation & Open Space Plan Committee

April 24, 2008

7 PM, Standish Town Hall, Council Chambers

Homework to Prepare for the Meeting:

- Review the section of the Comprehensive Plan for the subcommittee you are in (Cultural, Historic and Archeological OR Scenic and Recreation OR Water Resources and Natural Resources). Pick one of the recommendations in that section and write down some notes for ideas on how to implement it. Please bring these to the meeting.
 - What steps might need to be done to make it happen?
 - Does more information need to be gathered?
 - Who needs to be involved to make it happen?

Agenda

1. **Welcome & Introductions**, Council Chair Lou Stack, 5 minutes

Review of Agenda

2. **Presentation**, Bruce Hyman, 15 minutes, discussion 30 minutes

Where we are at?; where we are going?; how will we get there?

3. **Subcommittee Work**, 90 minutes

- Continue working in your groups from last month's accomplishments
- Discuss the homework assignment (above). Make sure the most important recommendations in that area are covered by someone. Discuss work that needs to be done for each recommendation. List what help you will need from staff working with you.

4. **Adjourn**, by 9:30 PM
