and the
Standish Conservation and Open Space Plan Committee

June 12, 2008, 6PM to 9PM

Standish Town Hall

Homework to Prepare for the Meeting:

- At the April meeting, you were asked to personally ‘adopt a Strategy’ from the Comprehensive Plan and think specifically about how it might be implemented. Please write down some notes for this and bring them to the meeting: 1) Who needs to be involved to make this happen?, 2) What steps need to be taken to make it happen?, 3) What level of priority would you (and your group) assign to this Strategy – Highest Priority, Medium Priority, or Lower Priority? (Please try to pick strategies that seem higher in priority for the Committee to work on.)
- Write down several questions you would like to ask the public at the June 12th Public Meeting. An example might be: *What is special or unique about Standish that should be protected or enhanced or else ‘Standish just wouldn’t be Standish’?*
